

On the beach

Susan and Nicol are swimming in the sea. Mum and aunt are playing beach ball. Dad is sitting under an umbrella. My cousin is reading a book, she is lying on the blanket. Paul and Petra are building a castle out of sand. My uncle is going surfing.

In the camp

We are camping next to the lake. There are big mountains near the lake. Me and my brother are sitting by the fire. We are drinking coke. Dad is standing and he is talking stories. We are laughing. The orange ball is lying in the grass. It's a nice day. We are happy.
